Good Morning

Neither is ringing a bell for me. I've looked through the various documents associated with Electron and don't see them. It could be they are labelled something else and I'm looking right past them but, I tend to think we don't have them.

Let me check with the project Planner and Engineer. I'll get back to you.

Subject: EPA Document Search

Good afternoon Dave and Liz,

I hope you had an excellent weekend? The EPA is seeking the two documents: 1) Cherry, D.S. 2017, **Scour Analysis Tech Memo**, Electron Hydro LLC, Orting, WA., and 2) Cherry, D.S. 2017, **Hydraulic Analysis Tech Memo**, Electron Hydro LLC, Orting, WA. The Corps does not have these documents in their records.

May I inquire if either WDFW or the County may have these documents? If so, would you be willing to share them with EPA?

Thank you.
